Your Business Deserves The Best

Amplex Internet is dedicated to providing the highest quality service and support that your business and employees deserve.

We provide your business with sustained rates that surpass the competition, and no hidden fees or small print contracts.

Large company or a small local business, Amplex can help you with your business communications.

We would be glad to arrange a meeting and discuss what service options are available.

Our dedicated connections can be used with VPN software and hardware to provide a secure connection between your office and employees at home, or at a branch location.

Why pay for an expensive T1 line? Amplex is 2x the speed at less than half the cost. In today's business economy, you need affordable communications that are fast and reliable. This is the Amplex difference. Welcome to a better Internet service.

Amplex provides service to rural and suburban areas throughout Sandusky, Ottawa, Wood, and eastern Lucas counties.

Amplex Internet is a member of the Better Business Bureau with an A+ rating
We have been providing reliable Internet service to our neighbors for over 12 years
